

Dr Suyog Kulkarni

DNB (Orthopaedics), FRACS, FaorthA, CIME

Dr Suyog Kulkarni is an orthopaedic surgeon with an interest in computer-navigated arthroplasty of the upper and lower limbs, knee arthroscopy, joint replacement, trauma and sports medicine.

After completing his medical degree and specialist orthopaedic training in India in 2001, Suyog worked in Fiji for two years as an orthopaedic surgeon and was responsible for teaching both undergraduates and post-graduates at the Fiji School of Medicine. Seeking further training, he moved to Australia and undertook a fellowship in hip and knee arthroscopy at St Vincent's Hospital in Sydney, where he gained extensive experience in performing computer-navigated knee replacements.

Since earning his Fellowship of the Royal Australasian College of Surgeons in 2014, Suyog has been consulting as an orthopaedic surgeon in hospitals across Brisbane. He is also actively involved in teaching medical students and is a Senior Lecturer at the University of Queensland.

Please do not hesitate to contact Dr Kulkarni directly to discuss any medical queries regarding a patient requiring referral. Dr Kulkarni prefers Whatsapp on 0451 549 440 for any type of communication from patients and doctors.

Dr Kulkarni has admitting rights and performs operations at the following facilities:-

- 1) Caboolture private hospital, Caboolture.
- 2) St Vincent's private hospital, Chermside.
- 3) Peninsula private hospital, Redcliffe.
- 4) Northwest private hospital, Everton park.
- 5) St Andrews War memorial hospital, Brisbane.
